

# ProgressBook Student Access – Student Account Information

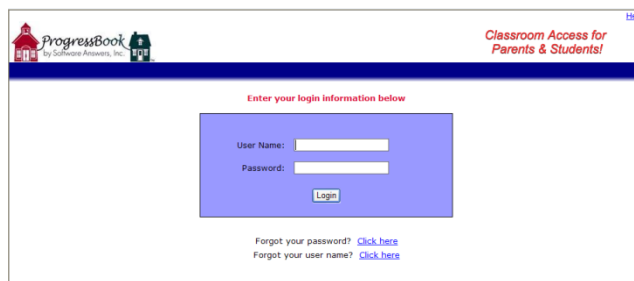

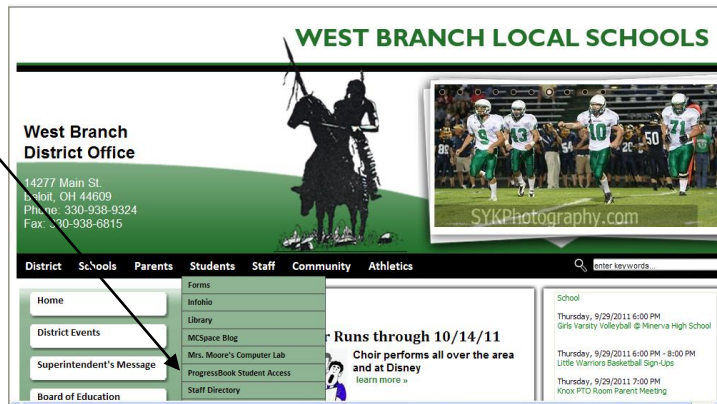

You can access a great deal of information about your academic progress, assignments and attendance by using ProgressBook Student Access. It is easy to use and will allow you to view current information about all of your classes with a single logon.

A link to ProgressBook Student Access is located on the West Branch Local Schools website. It is found under “Student”

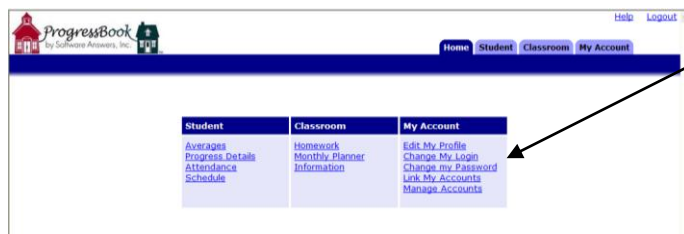

The West Branch website is found at:

<http://www.westbranch.k12.oh.us>

When you use the ProgressBook Student Access link, this logon page will open. You simply need to enter the username and password you have been provided.

This is the ProgressBook Student Access home page.

You can change you username and password. The school will have no record of this information once it is changed. You will only be able to retrieve it if you have supplied an email address using “Edit My Profile”.

If you try to access “Link my accounts” or “Manage Accounts” you will be logged out of ProgressBook Student Access.

You are encouraged to investigate all of the options that are available to you. If you have any questions about ProgressBook Student Access or are having difficulty logging on, check in the office for assistance or find out who you need to see for help.
