We at the Goshen Police District are excited for another great year to participate in Coffee With a Cop! 2018 was our first year and we received an overwhelming attendance from the community! So we are continuing again this year with the tradition.

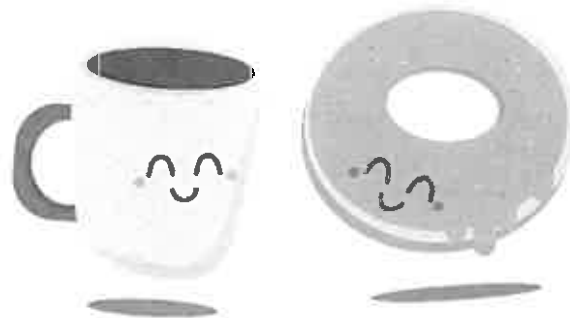

**Coffee With A Cop** is meant to bring PEOPLE together. Where we as PEOPLE can talk over coffee with no agenda, no speeches, just open and honest communication. We are all PEOPLE, and that's what the public needs to see. Behind the uniform is someone's parent, child, sibling, spouse, coach, neighbor, college student, etc.
