Beginner Lesson Groups

Thank you for registering your child for the fifth grade band! If your child will be new to the band program next year, these sessions are designed to introduce them to their chosen instrument. These lessons are being offered free of charge in a whole group setting rather than on an individual basis. Lesson groups will always meet on **Wednesdays** in the Middle School Band room during June and July. You will use the farthest entrance around the back of the building (Door M6). Parents are encouraged to stay if they wish to learn along with their child! We will be starting on June 8th and the schedule will always be as follows:

Trumpets@ 10:00am
Trombones@ 10:30am
Saxophones@ 11:00am

Clarinets@ 12:30pm
Flutes@ 1:00pm
Percussion –1:30pm

****Each child should bring their instrument (in good playing condition), a pencil, and the lesson book –“Standard of Excellence” (book one).***

*Please contact me at the above email with any questions you may have.

See you soon!

Sincerely,

Mr. Stehura
