

WBMS PIE MEETING 5/17/2021

Attendance:

Jaime Hirst – WBMS PIE Vice President

Bonnie Schatz – WBMS PIE Secretary

Jayson Yeagley – WBMS Principal,

Jessica Bates, Marissa Bryant

-Meeting rescheduled from original May 10th. Kim and Marcie both could not attend today.

Meeting started 25 minutes late. Yeagley was in a meeting prior that ran over.

Marcie sent financials to Jayson and Kim via email.

Yeagley stated that nothing is needed from the PIE for Fun Day or the 7th grade dance. We will only be covering the Kona ice for Fun Day as previously agreed upon.

Main reason to get together is to fill positions of Vice President and Secretary for the upcoming school year. Jaime will move to the President position and Marcie will remain as the treasurer.

Jessica Bates suggested combining the 2 PIE's together. There are many of them on that board that have little ones that will be moving up. They have a full board of 6. She stated it is hard to fill 2 separate boards and get volunteers also.

Yeagley does not envision one board for all the grades. He prefers the transition of parents from the Elem to the middle school. Too many different needs. ELC still have parties and the volume of what is needed at that level is completely different than the older middle schoolers. He wants to be sure each group gets what is needed at their level.

Jaime called 2 people as possibilities and they are still deciding.

Bonnie also contacted 2 individuals one declined and one accepted but cannot make the 3 pm meetings because of her work schedule. She would be willing if meetings could be after 5 pm. Yeagley did not see this as a possibility.

Jessica and Marissa both said that they would be willing to help because they do not want to see the middle school Pie go away.

Marissa stated that the PIE needs to do more online and more reaching out. Parents need to be in the know of what is happening. They have not been aware of things going on. Yeagley showed them how the website has Spotlight News that he updates every Sunday.

-7th grade dance will be dj'd by Scott Libb. Not formal. 1.5 hours on Friday, June 4th 7:30 – 9pm. It will be as a transition to 7th grade farewell.

More discussion needs to happen for the Vice President and Secretary position.

Possible meeting May 24th at 3pm
