

WBMS PIE MEETING 4/12/2021

Attendance: Kim Lewis – WBMS PIE President
Jaime Hirst – WBMS PIE Vice President Bonnie Schatz – WBMS PIE Secretary
Marcie Curry – WBMS PIE Treasurer Jayson Yeagley – WBMS Principal

-Kim is sick and not attending. She sent in notes.

-Stem t-shirt sales generated \$709 profit. Only 2 shirts not filled. Was there a charge for Denise's? We want to get a sample shirt to set out for display on stem night. About 20 kids partaking. They will change the dates on the order and put out for one week. Still use flyer and website.

-Jessica Bates may have some suggestions for our PIE openings. We threw out a few names that would be excellent candidates. Yeagley will reach out to them directly to see if interested.

-Teacher appreciation week is May 3-May 7. Talked about splitting with ELC PIE, but Yeagley stated that the time differences would make that too hard, and he suggested we just keep separate. See attached for menu. We have decided to do coffee instead of OJ.

Yeagley said he will make it and use machine that is already there. We will need to purchase 2 -1lb. bags of ground along with some flavored creamers.

Monday – breakfast: doughnuts, yogurts, and coffee with flavored creamers. Yeagley said he would make it and use large pot that is already there. He suggested to get 2- 1 lb bags of coffee and some flavored creamers.

Lunch on Wednesday: subs from Walmart

Friday fancier lunch: Hillcrest Market for pasta, salad, and rolls? Still awaiting pricing. We are also checking with Lori Weingart about her catering company.

- Yeagley agreed about giving the 7th graders a dance. He wants it after school and for 1.5 hrs of time. More like a sock hop. He has reached out for pricing from Frank Edie for dj. We could also try Scott Libb. He is thinking end of May for the dance. Pricing approx. \$5 per ticket. Possibly offer small waters and slices of pizza. Chaperones may be needed.

- Fun fair day / year end party for the students and staff. Scheduled for June 2 or rain day of June 3rd. There will be 3 zones and 6 stations within each zone. Each 15 minutes long rotating and sorted by grade level. Each student will have one buddy that they are paired with all day. Lunches will be outside also. Cornhole, parachute, capture the flag, football, tug-of-war, 4-H animals etc. fun and competitive.

-Kona Ice will come. Each child will get one ticket for either Kona ice or an ice cream stick bar. Would cost the PIE approx. \$900 we agreed.

-Marcie handed out most current balance sheet and income statement through March 31, 2021. See attached.

-Next Meeting is May 10th 3pm.
