

## STEAM Summer Camps for Middle School Girls

# YOUNGSTOWN

June 21 - July 15, 2022

8:30 am - 4 pm | Cost: \$50

Scholarships available

Breakfast and lunch provided

YWCA Mahoning Valley

25 W. Rayen Ave.

Youngstown, OH 44503

## Summer Manufacturing Institute

Led by OH WOW! staff, campers will explore musical engineering by utilizing different materials to design and build their very own working turntable/record player. Incorporating various types of manufacturing with help from local manufacturers, students will be listening to sweet sounds by the end of camp!

## Hands-On STEM

Students will explore STEM topics using CAD Design and building challenges. They will learn about Mars, engineering, build rovers and more!

## Arts

Join us for a tour of the Arts as we learn about the role art plays in our everyday lives! We will be exploring various art mediums through hands on activities such as painting, printmaking, literary arts, sculptural work, and creativity through recycling.

For more information call 330.746.6361 ext. 112  
Limited spots! Register by June 14 at [ywcamahoningvalley.org](http://ywcamahoningvalley.org)
