WORD STUDY	WORD STUDY	WORD STUDY	WORD STUDY	WORD STUDY
<p>Writing Workshop Writers make notes about a text for evidence to support statements so they can include accurate information.</p> <p>Students: will finish taking notes for their topics from World Book (Day 1) and Explora (Day 2).</p>	<p>Writing Workshop: Writers use textual evidence to support their writing so they add authenticity and credibility to their writing.</p> <p>Mentor Text: Any of our Jan. Science IRA titles.</p> <p>Students: will determine their audience and the purpose for their writing - writing a narrative. Use the narrative graphic organizer to organize their information into a story format.</p>	<p>Writing Workshop: Writers use different techniques to create topic sentences so that their writing is more engaging.</p> <p>Mentor Text: Any of our Jan. Science IRA titles.</p> <p>Students: will write a topic sentence and determine possible details. Students will work on creating different styles of topic sentences using appositives, subordinating conjunctions, etc.</p>	<p>Writing Workshop: Writers use organizers to plan their narrative writing so their story has structure and logical flow.</p> <p>Students: will refer back to their graphic organizers to further develop the details of their non-fiction narratives. They should try to include appositives to their writing to make it more interesting.</p> <p>*As students are finishing stories, they may go back and add photos to enhance their story.</p>	<p>Writing Workshop: Writers use organizers to plan their narrative writing so their story has structure and logical flow.</p> <p>Students: will continue working on writing stories.</p> <p>*As students are finishing stories, they may go back and add photos to enhance their story.</p>
